

GRANT MATTHEW GUNAWAN

FRESHGRADUATE BACHELOR

PERSONAL PROFILE

A recent Computer Science graduate with specialization in Software and Website Development & Engineering. Throughout my education, I have established a strong foundation in Website Programming, Back-End Programming, and Front-End Programming through internship opportunities at national media company. I am now seeking a graduate position with your company, so I can develop my skills and build a career as a UI Designer.

CONTEST EXPERIENCES

- Team Contestant. Computer Science Innovative Challenge (CSIC), Universitas Multimedia Nusantara, 2018.
 - Cross Platform Mobile Application Engineering.

WORK EXPERIENCE

Web Programmer Internship

Kompas Gramedia | Jun 2019 - Aug 2019 (3 months)

- Intern at Corporate Human Resources Information Systems (HRIS).
 - Redesign User Interface Website, Front-End Programming, and Back-End Programming.
